Classic Barcelona & Madrid:

Within the borders of one country, uncover two distinct destinations.

Barcelona and Madrid compete for the title of 'Cultural Capital,' both boasting incredible art and architecture. From the museums and imperial parks & palaces of Madrid to the twisting corridors of the Gothic Quarter & fanciful creations of Antoni Gaudi of Barcelona, these lively cities offer up something new at every turn!

Day 1 to 3, Barcelona: *Bienvenido!* Upon your arrival in Barcelona airport and after clearing customs, a private transfer is scheduled from the airport to your hotel. The remainder of the day is at your leisure. The following day, enjoy a lovely panoramic tour of the city on your Hop on, Hop off bus tour. Explore Barcelona's Monumental Bull Ring and the famous Cathedral Santa María del Mar, the only gothic church in Catalonia completely finished. On the third day after breakfast proceed on your own to Barcelona railway station (you will be informed when you receive your documentation what train station). You are confirmed on the Euro star train, 2nd class, from Barcelona to Madrid. Upon arrival in Barcelona make your way to your hotel. Optional Tours: The Best of Gaudi tour, \$111, Picasso Walking tour, \$35.

Day 4-6, Madrid: Upon arrival in Madrid make your way to your hotel. The remainder of your day is at your leisure. On day 2 enjoy visiting Madrid with your Hop on, Hop off panoramic bus tour. On day 3, we suggest a visit to the impressive Royal Palace, former residence of the Spanish Kings beautifully furnished and decorated and a must see, the Prado Museum. Optional Tours: Highlights of Madrid and Royal Palace, \$65, Prado Museum, \$56.
