**Day 2, Saturday, Split:** Transfer from hotel to the Split harbor for check in starting after 2:00 pm. After settling, enjoy the guided tour of Split, a historic town under UNESCO protection and part of the world heritage with an abundance of Roman architecture – of special interest is the magnificent Diocletian palace, once inhabited by the Roman emperor. After the tour, return to the ship for a welcome meet & greet cocktail reception on board. Overnight in Split. **(BD)**

**Day 3, Sunday, Split - Bol - Hvar:** Morning departure to Brač Island where swimming is planned at the most famous beach in Dalmatia – Zlatni Rat near Bol – whose gravel promontory shifts from side to side as the wind and waves constantly change in shape. Bol is a typical fishermen's village converted into a popular tourist destination. Continue towards the jet-set island Hvar with lunch on board at the Pakleni Islands. Hvar is the longest and sunniest island in the Adriatic known for lavish lavender fields and breathtaking beauty. Afternoon arrival followed by a short presentation of lavender products and a tour of the town's historical landmarks - the Renaissance cathedral with its original tower, and the oldest community theatre in Europe founded in 1612. Hike up to the town fort overlooking the harbor for some lovely scenic views of your ship and the Pakleni islands. In the evening Hvar offers an abundance of entertainment - numerous restaurants, bars and cafes are open long into the night. Overnight in the port. **(BL)**

**Day 4, Monday, Hvar – Vis:** Early morning cruise towards small island Biševo to visit the Blue cave, a magnificent natural phenomenon (entrances to be paid on the spot – approx. 7 EUR). As sometimes weather conditions can be very unpredictable, the possibility of our visit will depend on those conditions, however you will be notified of this on time. Continue to the island of Vis, once a strategic naval Yugoslav base and closed to the public. Due to this isolation, Vis has a special charm – “the Mediterranean as it once was” making it really interesting to visit. Situated on the northern side of the island, Vis has developed near the remains of the ancient Issa, first urban center in Croatia. Try some exquisite wine sorts in one of the Vis traditional wineries. If interested, visit the remains of the Roman thermal place, City museum or simply take a walk enjoying the views of the beautiful Villae Rusticae situated along the waterfront. Overnight in the port of Vis. **(BLT)**

Afternoon arrival in Korčula followed by a guided walking tour of this enchanting town surrounded by walls and one of the best preserved medieval cities in the Mediterranean. Fish bone street pattern was used in Korčula Old Town design to reduce effects of wind and sun and provide citizens with sheltered and comfortable accommodation. Korčula has an abundant choice of restaurants to enjoy your gourmet experience and there are numerous bars and clubs for those looking for evening entertainment. Optional excursion available to small village near Korčula for typical Dalmatian dinner and to find out more about the history and traditional way of living. Overnight in Korčula. **(BL)**
